

Parking at the Club

The car park holds 40 cars. If this is full please use Warblington Avenue which is a wide road with plenty of space and enter via the side gate to the club car park down Nightingale Road.

Please don't park along Nightingale Road as this will inconvenience the neighbours!

Please don't park on Southleigh Road as this is a busy road with railway gates just up from the club. Any road parking may slow the flow of traffic along the road and irritate the local community!

Key to Map

Marks the entrance to the club. Turn off Green Pond road by the "One Stop", proceed to the end of the road and turn right into the club

Side gate into the club
